

10 Things to Request on Vacation if you Suffer From Allergies!

- Request unscented cleaners and no air-fresheners
- A window that opens so fresh air can come in
- Air Conditioner (hopefully it's not a loud blower)
- Location not located near the pool (due to chlorine smell)
- Ask if room can be aired out two hours prior to arrival to remove scents and stuffiness
- Ceiling Fan is preferable
- No outside gas fumes from fireplaces
- Floor or ceiling fan (you may also want to bring your own)
- Ionizer (you may want to bring your own)
- If you are staying a while, you may want to bring a small bottle of your own cleaners.

❖ Additional items you can request to make your stay more comfortable:

- ❖ Restaurant onsite or Walking distance to coffee shops and restaurants
- ❖ Free parking
- ❖ Quiet area not near loud traffic
- ❖ Flat Screen TV
- ❖ A coffee maker, microwave and refrigerator, just in case you bring your own food.
